Chamber Committees

In an effort to increase volunteer engagement and outreach to our Members, the Aberdeen Area Chamber of Commerce has established eight volunteer committees. Any employee of a member business is welcome to join any committee (unless noted) without any obligation, and the level of participation is up to each participant.

Agribusiness Committee

Purpose: The mission of the Agribusiness Committee is to promote agriculture as a major segment of the local economy, to address and educate the membership on issues important to agriculture, to unite and network groups through ag-related programs and events, and to recognize outstanding achievements in agriculture. The Ag Committee facilitates the following annual events:

- Hats Off to Ag – A casual evening of fellowship to show appreciation to area farmers and ranchers. Features a speaker sharing information on an ag-related topic.

- 4th Grade Ag Fair – The fair, held each April, is designed to educate 4th grade students from around the area on farm products, livestock, farm safety and more.

- National Ag Day & Week – Capitalizing on a national movement, the Ag Committee creates special events in the community each March to bring awareness to National Ag Day & National Ag Week and the importance of agriculture in our daily lives.

- Field to Fork: A Farm to Table Connection – This educational outdoor dining experience showcases local ag producers and how they grow the food that reaches our tables. Diners interact with farmers and learn about modern farming practices while enjoying a variety of locally-sourced foods and beverages.

The Ag Committee meets the third Thursday of every month at noon at the Chamber.

Ambassador Committee

Jason Jung, BankNorth Warner - Chair

Purpose: The mission of the Committee is to promote a positive community image and serve as goodwill ambassadors at Chamber and community functions such as ribbon cuttings, new business openings, ground breakings, business relocations, and other networking events. Committee selection is done on a nomination basis. The Ambassadors also host:

- Community Champions Awards Luncheon – Held each February, the Community Champions Luncheon recognizes community leaders for their work in making our city and surrounding region a better place to live, work and play.

- Table of Plenty – The last Monday in August the Ambassadors coordinate volunteers and donate food to this monthly fellowship gathering at Zion Lutheran Church.

The Ambassadors meet the second Tuesday of every month at noon at the Chamber.

Diplomat Committee

Ben Volk, Titles of Dakota - Chair

Purpose: The mission of the Diplomat Committee is to strengthen membership engagement and retention by visiting current members and facilitating communication to and from members, helping to identify member concerns, and garnering support for the Chamber. Committee selection is done on a nomination basis. The committee also coordinates the following:

- ABBY Awards – The Diplomat Committee hosts the annual ABBY Awards banquet.

- Split Pot – The committee sells split pot tickets at Business After Hours to raise funds for a scholarship for a Diplomat to attend the Leadership Program.

The Diplomats meet the second Thursday of every month at 3 pm at the Chamber.

Enhance Aberdeen

Purpose: The purpose of the Enhance Aberdeen Committee is to coordinate projects that serve to beautify the community and enhance our quality of life; educate the public on related issues which affect them such as regulations, codes, and new efforts; and to recognize and promote business and community development projects, including:

- Free Spring Residential Cleanup – In conjunction with the City of Aberdeen, Dependable Sanitation and the Brown County Landfill, this committee assists the annual free cleanup the last Saturday in April, allowing local residential citizens to drop off unwanted items at one location within the Aberdeen city limits.

The Enhance Aberdeen Committee meets the fourth Friday of every even-numbered month at 8:30 am at the Chamber.

Health & Wellness Committee

Purpose: The mission of the Health & Wellness Committee is to implement business-healthcare partnerships and programs to promote workplace wellness and inspire healthy lifestyle choices through education and initiatives. The committee also coordinates:

- Hub City Healthy Eats – Easily identify healthy food choices while eating out! Look for the HCHE avocado on participating local restaurant menus to identify items that meet criteria set by local dietitians.

- Mental Wellness in the Workplace – The Health & Wellness and Workforce & Education Committees joined forces to address mental wellness in the workplace and how we can help employers when they are faced with this issue. This is a collaboration with the Aberdeen Development Corporation.

- Wellness Fair – Held in April, this event showcases products and services from local care providers & businesses which people can utilize for wellness in their daily lives.

The Health & Wellness Committee meets the first Wednesday of every month at noon at various locations.

Military & Veterans Committee

Ron Lindner, DAV Swanson O'Conner Chapter 13 - Chair

Purpose: The mission of the Military & Veterans Committee is to promote a positive working relationship among the community, employers and area military and veterans' groups while heightening awareness of the military and veteran presence and needs in the community. The Military & Veterans Committee meets the first Tuesday of every odd-numbered month at noon at the Chamber.

Transportation Committee

Jarrett Rix, Rix Farms Inc - Chair

Purpose: The Transportation Committee is the Chamber's primary business voice on transportation issues of importance locally, regionally, and nationally. The committee meets monthly to gather information from transportation experts in all areas of transportation including ground, rail, and air; analyze the information presented and determine how the Aberdeen Chamber can have an impact; and to share pertinent information with business people in the community. The Transportation Committee will meet on the following Tuesdays in 2024: February 27, May 28, August 27 and November 26 at 3:30 pm at the Chamber.

This website is a great benefit to Chamber members as it allows them to search the membership directory for products or services; register for events and meetings; read newsletter articles and press releases; learn about and sign up for committees; and much more. Each active member of the Chamber is listed under the Business Directory by name and category, which can be linked directly to a member's website, if available. We also offer online registration & payment through the site.

Community members and those looking to relocate or visit Aberdeen can utilize the website www.aberdeensd.com to see facts and figures about Aberdeen and Brown County; find a map of the city; check out community events; learn about education and healthcare; search for recreational opportunities; and link to other community and South Dakota sites.

Both websites were designed to be easily navigated and to offer a well-rounded view of the Aberdeen Area Chamber of Commerce and the community.

CHAMBER BUSINESS AFTER HOURS MIXERS

The Aberdeen Area Chamber of Commerce facilitates Business After Hours mixers each month. They are held from 5:15 to 7pm at various business locations the second Thursday of every month. These events are held to encourage networking opportunities among the city's businesses, leadership and their employees. It is an ideal way to establish contacts and build relationships with fellow business people. These mixers attract close to 150 people and allow members to get better acquainted with Aberdeen businesses in an informal setting.

CHAMBER FOR GOOD

The Chamber for Good system provides a clearinghouse that serves to connect all local 501c3 charitable organizations and causes with the individuals and organizations within our community that are eager to support local needs. Charities have the ability to create

a public profile on the Chamber for Good site, then post needs in the three areas as they arise: financial needs, volunteer needs and item needs. Chamber for Good makes it EASY to give local. Bringing individuals, organizations and businesses together to achieve great things is a key focus of the Chamber. The local Chamber For Good site can be found at www.chamberforgood.com/aberdeen.

INFORMATION AND REFERRAL CENTER

The Chamber staff does our best to stay on top of local issues, business information, statistics and resources within the community. If we don't have the information at our fingertips, we will do our best to find it or someone who can assist with your needs. Also, whenever the Chamber is asked to recommend a business or service, we always recommend our Chamber members first. We not only "sell" the community, but "sell" your products and services every opportunity we get.

LEADERSHIP ABERDEEN PROGRAM

Leadership Aberdeen is a comprehensive 13-week workshop, starting in January, designed for current and potential leaders in the community. Each class consists of 25-35 participants selected to analyze characteristics associated with leadership, develop individual skills, and gather an awareness of trends, challenges, and issues that face Aberdeen and the region. Leadership Aberdeen seeks a diverse group of participants of varying interests and styles across the broad spectrum of achievement from the region. The program started in 1987.

Of the 900+ alumni, graduates have served on the Aberdeen School Board, City and County Commissions and the Chamber of Commerce Board of Directors and Committees. A tuition fee covers all materials, refreshments and meals. Accepted applicants may solicit support from their employers, church, civic organizations or other sources. Applications for the Leadership Aberdeen class are available at the Aberdeen Area Chamber of Commerce office and online.
