

GUIDELINES FOR REOPENING ABERDEEN, SOUTH DAKOTA EFFECTIVE APRIL 30, 2020

RESOLUTION NO. 20-04-07R

CITY OF ABERDEEN

COVID-19 PROTECTION MEASURES

RESOLUTION NO. 20-04-07R

SOCIAL DISTANCING GUIDELINES

- All restaurants, coffee houses, bars, breweries, casinos, dance clubs, gentlemen's clubs, cafes and other similar places offering food and beverage for on-site consumption, including any alcohol licensees with on-sale privileges, must maintain a minimum six-foot space between tables, chairs, and barstools if occupants are not members of the same household or dining party of not more than 10 persons.
- Limit capacity in indoor recreational facilities and fitness businesses to a number of persons than can safely and reliably ensure social distancing.
- Reduce seating to allow for social distancing by removing chairs or marking certain seats as "not available due to social distancing".
- Maintain a six-foot space between customers waiting for service or entry into the facility.

PERSONAL PROTECTIVE EQUIPMENT GUIDELINES

- Employees of beauty and hair salons, nail salons, tattoo parlors, spas, massage studios, and barber shops must wear masks which cover their nose and mouth during customer contact times. Customer seating must be at least six (6) feet apart.
- Implement daily health screening protocol for all employees per South Dakota Department of Health guidelines for all employees.
- Employees must wear a mask that covers the face and nose when social distancing guidelines cannot be met with, or a barrier to the public is not provided.

CLEANING & DISINFECTING GUIDELINES

- Handwashing required at regular intervals of at least once per hour for all restaurant, bar, and food service employees.
- Clean and disinfect video lottery machines between each customer and at the start of business.
- Clean and disinfect equipment and mats in health, fitness, athletic, and weight training facilities between each use.
- Post regular cleaning and disinfecting schedule for customers.
- The City encourages enhanced cleaning and disinfecting requirements for motel and hotel rooms.

GROCERY AND RETAIL STORE GUIDELINES

- The City encourages grocery and retail stores to limit customers to a number of persons that can safely and reliably ensure social distancing, and, where practicable, to clearly mark one-way shopping aisles and install a plexiglass or similar divider between the customer and the cashier.
